

# PAR 56 LANTERNS

Par 56 lanterns are supplied with integral wire mesh, cable grip gland, lamp retaining ring, and color frame retainers (gel clips). This lantern can be supplied with a UL listing if specified upon ordering.

Standard finishes are semi-matt black or silver (with black interior.) Other finishes will be priced on application. A RAL or BS color number is required for identification of custom finish.

Par lanterns can be fitted with several types of lamps at competitive prices. Special lanterns (priced on application) can be supplied to suit customer requirements.
